- ▶ The fee to participate in the bonus point system is \$20 for nonresidents
- ▶ You must pay the fee when applying to use or gain bonus points.
- ▶ Applicants accumulate one bonus point for each unsuccessful year.
- ▶ The Bonus points become extra chances in future drawings.
- ▶ The number of chances in a drawing equals the existing bonus points squared plus one.
- ▶ Once successful, the applicant will lose all points for that species.
- ▶ Bonus points are accumulated independently for each species and only apply to "first-choice" districts.
- ▶ An applicant may skip two consecutive years of participation without forfeiting accumulated points, but if an applicant misses the third year, all accumulated points for that species will be lost. Rejection of an application because of applicant error is equivalent to failure to apply.
